Tropical Islands

Europe's largest tropical holiday world!

- 50,000 tropical plants
- Europe's biggest continuous rainforest
- Mangrove swamp

... and you feel good.

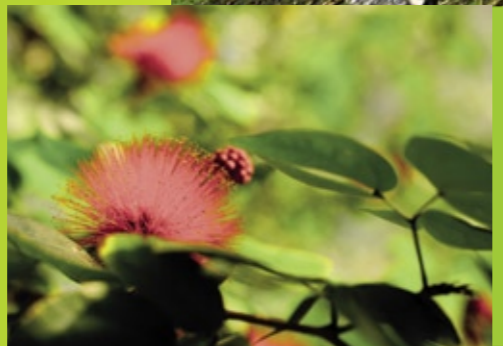

EXPEDITION TO THE RAINFOREST

At Tropical Islands, the dream of creating a tropical island inside the largest free-standing hall in the world has become reality.

The unique tropical setting with its original buildings from around the Tropics, the Tropical Sea with its 200-meter long white sandy beach and beach volleyball areas, the Balinese Lagoon, Germany's highest water slide tower, Europe's biggest tropical spa & sauna complex – all of these make Tropical Islands an ideal place for learning through experiencing.

The world's biggest continuous rainforest is a particular highlight. Located on a hill in the centre of the Tropical Islands Dome, it gives visitors a fantastic insight into a unique natural biotope. A kilometre-long paths leads guests through the various attractions of the rainforest: carnivorous plants, traveller's palm, breadfruit tree and other exotic flora. The path leads to a bridge over the mangrove swamp from where visitors can enjoy a great view of the breathtaking natural diversity of plants and animals in the rainforest.

After an adventure-packed day, what could be more exciting than relaxing around the campfire and spending the night in a tepee? At Tropical Islands, camping on the edge of the Tropics is all part of the fun!

TOURS

Tropical Islands is a unique tropical island in the heart of Europe. The largest free-standing hall in the world is home to a tropical world of astonishing variety: custom-built climate technology, the world's biggest indoor rainforest, exotic animals, impressive feats of engineering in the Dome and a fascinating Tropical Village with original buildings from distant lands.

Choose between an island tour through the Tropical World and a tour of the tropical rainforest.

Rainforest tour

Discover a unique biotope
Duration: 45 minutes

from € 2.50 per person

On the Rainforest tour we visit the world's largest indoor rainforest – a unique biotope with over 50,000 trees, bushes and shrubs and 600 different species. A kilometre-long paths takes us through the various attractions of the rainforest. Above our heads, tree orchids and creepers wind their way around the trees, the tallest of which are a massive 18 metres high. Along the way we see animals such as pheasant and peacocks. The path leads to a bridge over the mangrove swamp – a great viewpoint – where turtles swim alongside Thai catfish and other exotic Asian fish species.

Island tour

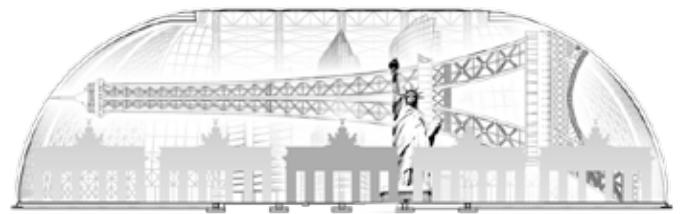

Get to know Tropical Islands
Duration: 25 minutes

from € 2.50 per person

A tour of the Tropical World includes a walk through the Tropical Village, along the Tropical Sea, through the Rainforest and on to the Lagoon. Visitors learn about four characteristic original buildings – from Thailand, Borneo, Bali and Samoa – the biggest indoor rainforest in the world, the various attractions, the history of the Dome and much more besides.

 For groups of 15 or more, tours can be arranged on request.
