Tropical Islands – Europe's largest tropical holiday world

### **The Tropino Club for Kids**

**Tropical Islands offers our youngest visitors their very own play paradise in the Tropino Club for Kids.**

At Tropical Island's 4,000-square metre kid's club, anything is possible and fun is always guaranteed.

The club includes a Lego mountain with approx. 2,300 Lego Soft bricks, a power paddle boat circuit, a climbing area, a go-cart track, a basketball court, a table tennis table and table football set.

The Tropical Islands Activity Team offers a varied day programme: treasure hunting in the jungle, face painting, feeding the fish or dancing in the kids' disco - there is something for every child!

And when the little ones get hungry, they don't have to look far. The Tropino Restaurant is located within the Kids Club, and serves up plenty of tasty treats for our younger guests - from chicken nuggets to schnitzel and potato croquets.

**Please note:** Parents are responsible for their children; no supervision is provided by Tropical Islands.
