Tropical Islands - Europe's largest tropical holiday world

Staying overnight in and around Tropical Islands

Whether an overnight adventure in the Rainforest Camp, an exotic and stylish stay in a lodge, a night in the fresh air of the camp site, the comfort of a holiday apartment or the Novasol holiday village: there is accommodation to suit every taste in and around Tropical Islands. An exciting day's fun in Tropical Islands is enough to tire anyone out. That's why Europe's largest tropic leisure world offers a whole host of different options for staying overnight in or around Tropical Islands.

The indoor lodges

As the sun goes down over the Tropics and peace falls over this South Seas paradise, why not settle down for the night in one of our stylish Tropical Islands lodges? No other park worldwide can boast the overnight experience that Tropical Islands can. Whether you opt for the wild safari look, the Caribbean colonial style or the Africa design, the large selection of Tropical Islands' lodges stand out thanks to their authentic exotic design. There are houses dotting the shore of the Bali Lagoon and rising majestically over the waterfall at the edge of the Tropical Rainforest. All lodges are tastefully furnished and almost all have air conditioning. Experience the tropical atmosphere in comfort as all lodges are equipped with a seating area, table, well-stocked mini-bar and double bed. The luxury Premium and Designer lodges also feature a TV and have their own bathroom. Extra beds and children's beds are also possible.

The Rainforest Camps

The Rainforest Camps are located in the eastern and western areas of the hall. These are groups of sand-coloured safari tents in various sizes. The two- and four-bed tents are pitched in fine sand. They are equipped with bed bases, mattresses, sheets, pillows and light bed covers. The tents are located in the tropical plant areas and are conveniently hidden from the paths around the dome.

The Campsite

The Tropical Islands Campsite fulfils the latest standards of a five-star campsite. This high quality was underlined by the "Campingplatz Auszeichnung 2010" award received from the ADAC – one of the most sought-after recommendations in the industry. The site is 6 hectares in size and offers space for 91 caravans and trailers, 20 of which are "comfort" pitches. There is also a shuttle bus which transports campers to Tropical Islands within a matter of minutes.

All camping guests (pitches, teepees , private tents) have the following advantage: they only have to pay one day admission to Tropical Islands, after that every additional day is free. Camping guests are free to enter the dome as often as they wish during their stay.
