#### **Schools groups: Take a field trip to the jungle**

At Tropical Islands, school pupils can play volleyball on the Tropical Sea beach, experience the white-knuckle descent from Germany's highest slide tower and learn about the tropical jungle in our rainforest tour. For every 15 paying pupils, one teacher / supervisor receives free admission. We are also happy to put custom packages together here.

Spend the evening right in the lap of nature telling stories around a campfire! The Outdoor Package for youth groups includes admission to Tropical islands, the rainforest tour, the water slide, breakfast at the camp as well as lunch and dinner in Tropical Islands or at the camp.
